DOVETAIL ANCHOR SLOTS BRICK TIES

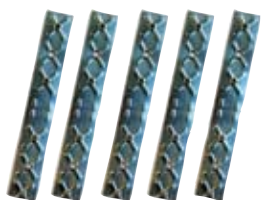

With a heavy, galvanized coating to prevent corrosion, Dovetail Anchors have deep corrugations to increase pull out strength.

- Anchor Slot and Dovetail Anchors provide a permanent, fast, flexible and cost effective method of anchoring brick, stone and block to cast-in-place concrete walls and columns
- Provides an excellent anchoring system for both cast-in-place and precast concrete
- Manufactured in 16 gauge hot dipped, galvanized steel

ID	Specification	Packaging
DOVETAIL	16G, HDG	200'/Bdl
